

December 29, 2015

Hello RSFC Customers,

We are happy to announce that the South Pool Project is nearing completion and we plan to open the pool for lap swimming and a wide variety of programming beginning on Monday, January 4, 2016. The [Winter 2016 Lap / Recreation Swim Schedule](#) is available online at www.rockvillemd.gov/swimcenter, as well as a [schedule for now through January 3](#). You can also access our program schedule by visiting the website.

We are thrilled to be able to welcome customers to the newly renovated facility. While the pool will be open to customers starting 1/4, please understand that some work will continue throughout the facility while the construction contractor completes the close-out phase of the project. As there is a significant amount of new equipment in the facility, we ask for your continued patience as everything is calibrated to our specific uses.

A dedication ceremony with the Mayor and Council is scheduled for Saturday, February 13, 2016 at the Rockville Swim and Fitness Center. All are invited to attend and celebrate the renovations to the South Pool!

A sincere thank you is extended to all who made this renovation possible, and to all customers for their flexibility throughout the project. Happy New Year and Happy Swimming!

Sincerely,
Rockville Swim and Fitness Center Management
